Would you enjoy spending a couple hours a week with other moms having conversation and enjoying breakfast?

Would you enjoy opportunities to do crafts, hear speakers and have play dates?

Are you available **Thursday mornings from 9:00-11:30am**?

Every one of us wants to be the best mom we can be. Sometimes that takes encouragement from others and the hand of God. MOPS believes that "better moms really do make a better world." So, take some time for yourself and your faith and join us!

MOPS stands for Mothers of Preschoolers and is an international, non-denominational organization that supports and encourages women who are pregnant or have children of any age, but especially focuses on birth through kindergarten years. MOMSnext is for women with school aged children. We meet congruently.

Still unsure? Come hang out at a meeting with us and see what you think; the first meeting is on us!

Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing, but rejoices with the truth. Love bears all things, believes all things, hopes all things, endures all things. – 1 Corinthians 13:4-7
